Supervisor of Special Education

Dr. Matthew Mazzoni
Principal

October 2017

Dear Mullica parents and students,

As part of Mullica's commitment to continual growth and improvement, Mullica Township School District will go through the process to become accredited by the Middle States Association of Colleges and Schools. To receive accreditation a school must demonstrate that they meet Middle States' rigorous criteria for quality educational programs, operations, and services. Accreditation is a seven-year process that includes many steps such as candidacy application, site visits by a Middle States team, and the compilation of school goals and action plans to accomplish them. You can find out more about Middle States Accreditation by visiting <http://www.msa-cess.org>.

Mullica Township School District is currently in the self-study phase in which we compile information about the school from all stakeholders, reflect on areas in which we can improve, and set goals to address them. As part of this self-study we ask that you complete the parent survey, which you can access at <https://www.surveymonkey.com/r/MSAMullicaParents>. In the survey you will be asked to rate the school on how well it meets each of the twelve Standards for Accreditation of the Middle States Association. Feedback from parents is crucial to our ability to create meaningful school goals and plans to achieve them.

Student feedback is also vital in our efforts to continuously provide a comprehensive and challenging learning environment. In the coming week, students will complete a brief survey during school. If you do not want your child to participate in the survey, please contact the main office.

We ask that you complete the survey by Wednesday, November 8, 2017. If you encounter any technological problems during the survey, please contact our tech department at Tech@mullicschools.com.

Thank you for your continued support of the school and its work to ensure the best educational experiences for Mullica Township students.

Sincerely,

Andrew Weber
Superintendent
