Dear Parents and Guardians,

The Mullica Township School District is preparing for Pre-Kindergarten and Kindergarten students for the 2018-2019 school year. Any resident of Mullica Township/Washington Township with a child who will be 4 or 5 years old by October 1, 2018 is eligible to attend our Pre-Kindergarten and Kindergarten programs.

Additionally, any resident of Mullica Township/Washington Township who has a child between the age of 3 and 5 years of age that may be displaying a delay in any of the following areas: intellectual functioning, speech and language, social/emotional development, gross/fine motor skills may be eligible for a free screening through the district child study team. Should you have concerns about your child's development please call the child study team at (609) 561-3868 x 144 for more information.

As the registration process for Pre-kindergarten and Kindergarten begins, the Mullica Township School District is reaching out to the community to find children that are eligible and interested in the Pre-kindergarten program. If you are interested and have a child that would qualify them to attend during the 2018-2019 school year please [click here](#) to complete a brief survey. If you are unable to access the survey via the link, please visit our website, www.mullicschools.com, and you will be directed to the survey.

Additional information regarding registration, including dates and required paperwork, will be forthcoming. Thank you for your time and assistance. Welcome to the Mullica Township School District!

Warmly,

Andrew Weber
Superintendent of Schools
