DISCIPLINE LADDER

Six levels of intervention are defined in the discipline ladder. Disciplinary action should begin and be resolved at the lowest level possible, consistent with the nature of the violation. If similar violations continue, the intervention moves to a higher level on the ladder (e.g., from Level A to Level B).

The discipline ladder is used to provide students with support to avoid future disciplinary action. At all levels of the disciplinary referral ladder, interventions considered may include any of the types referenced below:

Level A – Teacher/Student

- The student is provided an opportunity to tell his/her version of the incident.
- The teacher or designated staff counsels with the student.
- One or more interventions are initiated as appropriate (Counselor, Class Dojo, behavior charts, etc.)
- Any interventions will be documented.
- If a student needs to cool-off, contact the school counselor, CST, teacher, and/or library staff for a student to cool-off for a specific time period. The purpose of the cool-off period is to remove the student from the situation and is to last no longer than 15 minutes. The student is to return to the class following the cool-off period.

Level B – Teacher/Student/Parent

- The student is provided an opportunity to tell his/her version of the incident.
- The teacher or designated staff notifies the student's parent/guardian and documents the incident.
- The teacher counsels with the student and, if possible, the parent/guardian.
- One or more interventions are initiated as appropriate.
- Any interventions will be documented.

- Lunch detention via Google form (Students must have work with them).
- Think Sheet is to be filled out during the lunch detention.

Level C -- Teacher/Student/Parent

- If intervention at Level B has not been successful, the teacher or designated staff will involve a case manager, nurse, school counselor, or any other member of the school's support staff.
- The teacher or designated staff notifies the student's parent/guardian and documents the incident.
- The student is provided an opportunity to tell his/her version of the incident.
- The teacher and any member of the support staff who has been involved will conference with the student and, if possible, the parent/guardian to provide support for correcting the misbehavior. If possible, all of the student's teachers will be included in the conference.
- One or more interventions are initiated as appropriate.
- Any referrals or interventions will be documented.
- After-school detention ranging from 1 hour to 3 hour depending on severity and frequency.
- No after-school activity the day of a detention.

Level D -- Administrative Level Referral

- The student is referred to the appropriate administrator or designated staff person.
- Documentation of the steps taken to intervene and change the student's behavior is provided.
- The student is provided an opportunity to tell his/her version of the incident.
- The administrator or designated staff person schedules a conference with the parent/guardian and determines if further consultation with support personnel is necessary.
- One or more interventions are initiated as appropriate.
- If necessary, in-school suspension up to three days may be utilized. School officials should consider developing a behavior intervention plan for the student (in some cases, such a plan might be mandatory).
- Referrals and interventions will be documented.
- Volunteer Service as agreed upon by the parent and administration.
- Possible Detention(s) or In-School Suspension up to 3 days.

- Documentation of the steps taken to intervene and change the student's behavior is provided.
- The student is provided an opportunity to tell his/her version of the incident.
- The administrator or designated staff person schedules a conference with the parent/guardian and determines if further consultation with support personnel is necessary.
- One or more interventions are initiated as appropriate.
- If previous interventions have not been successful, the principal or principal's designee may consider the use of an in-school suspension of 1-3 days, or a 1-day out-of-school suspension with an option of an additional 1-day in-school suspension.
- Elementary school students shall not receive out-of-school suspensions for Type One offenses.
